### BLOOD DONATION

ORCA blood donation programme is an established programme since our very inception. For it's outstanding performance in this field ORCA has been rewarded by Bangladesh Red Crescent Society quite a number of times. At this wonderful moment we have the privilege to assure you all that our objectives are simply ahead shining brightly in a nearby in a nearby horizon. We don't say that we have already achieved all our goals but with the very dawning of that bright day of 1972 when the baby ORCA took off from the ground is now destined to come out with the flying colours with in no time insha-allah.

To over come the monotony of daily life and discover Shoib Akhter, Wasim Akram, Lara and Steve Waugh from ORCA members, ORCA arranged an Inter House

Cricket Competition on 5<sup>th</sup> November '99 at Lords of Banani. It was a grand success. About 200 cricket legends of ORCA attended the program. ### A NOTE AND A APPEAL

ORCA LTS Project was launched at a launch (River cruise) in the early 98 in order to make a fund that can fuel ORCA in the long run. After appeal and appeal and tremendous effort by a group of ORCA members especially ORCA President & Secretary General, Engr. Siddiqur Rahman (2/53) and Rafiqul Haq (15/827), we are almost near to our target of Tk. 2 million . So please do come forward to achieve the target by enlisting your name as LTS or pursue the members who are closed to you. We are very hopeful to have a permanent address of ORCA in 2000, if we all come forward to a final drive for more LTS or any other form of donation.

It is a big gap since SPAN-27 was published in last December. Due to the Professional and educational commitment of the EC members, we could not Publish SPAN in due time. We beg apology for that and make our commitment to publish in due time.

Let all of us prosper together.
