## PICNIC Y2K : 21/01/2000

ORCA Picnic Y2K was held on January 21, 2000 at Savar dairy farm. The convey of two buses, one truck and with few private cars started for the Picnic spot from ORCA office at 10 A M and reached at the spot at 11.00 AM. Quick breakfast was served. The day started with parata & curry. Then we launched for our main programs. Consequently ORCA arranged inter-house volleyball competition for old members & Cricket competition for ORCA kids. Flash rainfall caused interruption to the volleyball final. Though the rain cooled the weather but it disturbed our cooking. However the volleyball champion was Khalid house and runner-up was Tarik House. Meanwhile the lunch was ready and all of us took our lunch in a single line. Interestingly Bhabis started sewing ORCA logo on the handkerchief and rest of the competitions were started & completed. At 4.30 p.m. ORCA arranged a General Meeting where financial commitments from many ORCA members were received to improve our fund state. The general meeting empowered the Trustee Board to purchase asset for ORCA. During this time we had a tea-break. Meanwhile due to bad weather we had to squeeze up the program. So immediately the raffle draw and prize distribution had to be started. Our respected and beloved teacher Mr Salahuddin Sinha sir in the party was honored to distribute the prizes among the winners and souvenirs to ORCA bhabis. ORCA president Engr. M. Siddiqur Rahman assisted Sinha Sir. At 6.30 P.M we started back to Dhaka and reached safe and sound.

## ANNUAL DOA & IFTAR

On 24<sup>th</sup> December 1999 ORCA Annual Doa-Mahfil & Iftar were held. About 200 ORCA members, bhabis & kids attended. We hired "Mohona" community center for this program. Here ORCA president Siddiqur Rahman asked all the members to find out their distressed batch mates and let ORCA know about them for help. Before Iftar there was a milad and

Munazat. It must be mentioned that participation of ORCA members these days were encouraging.

## RAJSHAHI CHAPTER NEWS

Everything is going smooth in the Northern Zone of ORCA. Many programs were taken in hand recently. Though some of them were routine programs like yearly Picnic and Iftar party. The picnic of the last winter was taken place at the Bagan Bari of always particularly present Shamsur Rahaman (10/534). The newly elected president of Northern Zone. At least 50 persons were present, including Bhabis, in the last picnic of the last millennium (Children are not in count here). The picnic was full of joy, exciting and full of entertainment. Last iftar party was occurred also with maximum participation.

In the February 18<sup>th</sup>, Northern Zone members joined in the program of inaugural of ORCA palli' near the college campus. Nowadays present cadets cannot do good in S S C and H S C exams. To inspire them Major Azizul Hakim (14/763) declared in the program to be rewarded TK. 10,000 for securing first place in the S S C or H S C exams and TK. 1,000 for securing 10<sup>th</sup> place accordingly.

On 23<sup>rd</sup> March there was Eid reunion and the reception of Ulka (18/981) and Sohag (21/1143) couple. They married recently and were received along with the other couples. ## ORCA IN FIRST DIVISION TABLE TENNIS LEAGUE

This is for the second time ORCA participated in first division Table Tennis League. In 1998 ORCA started playing in this league. Then ORCA played well but marginally missed the place in super league.

This time ORCA was successful to be in Super League of this prestigious Tournament. This is pride for us that all the players were ORCA members.

### Name of the players:

Inam Khan (7/349)

Noor Md. Mahboobul Haq (15/850)

Monsur (28/1512)

Atiq (28/1508)

Moinur (30/1616)

They played excellent to secure the fifth position. During the league we saw the name of ORCA Table Tennis Team is National Daily's.

We congratulate the players for this prestigious achievement.

### DIPOK AGAIN !

Zahidus Salam Dipok (6/280) Bhai a great soul of ORCA visited ORCA office in every Thursdays during his stay in Dhaka. Dipok Bhai who contributed \$ 10,000 for ORCA fixed fund once again confirmed his contribution for ORCA scholarship. He will contribute yearly Taka 16,000 for the student brothers who are in hardship to continue their study. We are really amazed to know that according to the will of Dipok Bhai ORCA will get one fifth of his property after his death. This is how ORCA is the family of its members. 6<sup>th</sup> Batch arranged a get-together for Dipok Bhai.

### AN APPEAL

December 99 to December 2000, it's long one year back the last SPAN had published. But don't think

that ORCA is running like SPAN's pace, rather dynamism of ORCA is accelerating day by day. This SPAN was ready to publish in due time but for the professional hazards among the concerned persons it could not be published. At last by the grace of almighty the span is going to be published as it was. Thus the news are backdated and may seem to be inconsistent to someone. For that reason the executive committee of ORCA is extremely sorry. Inshallah very soon ORCA is going to present you a brand new span with updated news and in more attractive form. The anxiety of many ORCA members regarding span publishing touched the heart of all. We are proud of such feelings.
