orca Inter House Cricket Competition

On 4th January, Inter House Cricket Competition for the year 2002 was held. The program was a very glorious one. There was heartiest participation of all batches in the tournament. 11th batch was very generous to sponsor the event for the third consecutive time.

As per the rule, defending champion of the prior year Tariq house qualified for the final match. Khalid House and Qashim house compet in the first match for the place in the final. Batting first Khalid house could manage to score 87 runs loosing all the wickets. Imroz Bhai of 11th batch

taking 4 wickets was the man responsible for the batting disaster of Khalid house. In reply Quashim House reached the target of 88 runs loosing only 5 wickets. Razu Bhai of 20th Batch scored 20 runs while Monsur of 28th Batch scored 10.

In the final match, batting first Tariq House scored 57 runs. The only player of Tariq house who stood in the crease with confidence was Razeev of 30th Batch scoring 35 runs. Again Imroz Bhai claimed 4 wickets in the match for Quashim House. In reply, Quashim House reached the easy total with in only 6 overs. Faisal of 32nd Batch

scored a very rapid 20 runs and built the foundation of the victory.

The match was an example of, 'a bad workman always quarrels with his tools.' Loosing in a disastrous manner the other two Houses complained about the umpiring of Mizan Bhai of 4th Batch. But it was proved that the match was fare like anything.

It was the last event before the grand reunion. Thus it was of utmost priority. All the members present in the event gave word that they'll try heart and soul to join the cherished event in our dearest Alma Mater.
