

LET US KEEP UPHELD THE NOBLE MOTTO OF ORCA *Let all of us prosper together* «

On the eve of induction of fresh blood in ORCA (34th Batch) we once again recollect that long before, in 1972 some very enthusiastic ex-cadets formed ORCA with our dearest noble motto *let all of us prosper together*. Today ORCA is a name established in the society through the dedicated efforts of a series of teams of energetic members. Not only from all over the country but also from all over the world, members and well-wishers of this great organization have been contributing in various forms to make ORCA marching forward.

The feelings of the last days are still reigning amongst us and still do we haunt for the lost days in the campus of our dearest Alma Mater Rajshahi Cadet College. We still love to smell the old Mukterpur village and love to find the lost best days of our boyhood in every nook and corner of RCC campus where the memory is full of love.

We the ORCA members and our family members have become a broader family and united under the umbrella of ORCA. ORCA is an exemplary alumni organization in Bangladesh nourishes and continuing the fraternity, fellow feelings and tenderness among the members. This is our great pride today that not only the ex-cadet's associations other ex-students associations also highlight the example of ORCA to accelerate their activities.

Dear members, we will maintain our everlasting bondage, ORCA is still surviving, wishes to survive ever and forever Inshallah. This is the utmost desire of all the ex-cadets of Rajshahi Cadet College residing home and abroad.

To concentrate in ORCA activities ORCA decided in a General Meeting held in Dhaka on June 13, 2000 to avoid joining in any Federation of Ex-cadets Associations. The General Meeting of the memorable and highly participated Re-union 2002 once again confirmed the decision to avoid joining in same type of bodies for the greater interest of ORCA. After the formation of Cadet College Club ORCA Executive Committee discussed the matter on June 5, 2003. It was perceived that the club was almost same as federation though little bit different in name and structure.

So, once again ORCA feels to remind all members about our past discussions and decision.

ORCA appreciates any organization with noble purposes. At the same time ORCA off course wants to keep upheld the everlasting unity, brotherhood amongst all members and the great motto *Let all of us prosper together*.

To maintain belongingness:

ORCA REQUESTS ALL MEMBERS TO CONTINUE TO BE WITH THE CAUSE OF ONE UNITED ORCA AND AVOID JOINING ANY OTHER ORGANISATION RELATED TO CADET COLLEGES.

LET US UNITEDLY STRIVE HARD TO KEEP UPHELD OUR DEAREST MOTTO: **LET ALL OF US PROSPER TOGETHER.**

PICNIC 2003 «

Long awaited ORCA picnic was arranged on 28th February this year. This was a gorgeous and colorful event.

We reached the spot at about 10 AM. It was Savar Military Dairy Firm. The spot was fabulous.

Just after the breakfast, inter house volleyball competition

began. In the final Khalid house defeated defending champion Tariq House.

After the volleyball competition, we had our lunch. The lunch was followed by a number of events. These included sewing competition and musical pillow for bhabies, sprint and cricket competition for ORCA kids. Apart from these there were three different competitions for ORCA members: 'Ball throwing', 'Hari Bhangra' and 'Three Legs Race'. All the competitions were extremely enjoyable.

Before departure from the spot, there was a small cultural program followed by Raffle draw and Prize distribution. Saif (10/576) and a number of ORCA kids made the cultural show a beauty. At last our Ex Principal Mr. Mufazzal Hossain Sir distributed the prizes among the winners.

After the events of excitement, we reached ORCA office at about 8 PM. Everybody was tired to extreme, yet all were thinking, 'What a day it was!'
