

## ANNUAL DOA MAHFIL & IFTAR .....

The annual dua and iftar of ORCA was held on 24<sup>th</sup> November 2003. More than 300 ORCA members, Bhabies and children joined that program which resulted an enormous event. On the other hand, there was a Qirat competition for the ORCA next generation. Many ORCA kids joined the competition with enthusiasm. Special programs were arranged for the departed and sick ORCA members and their family members.

## CRICKET COMPETITION .....

It was extremely cold morning on 2<sup>nd</sup> January. ORCA members in spite of unfriendly weather gathered in WAPDA colony cricket ground. It was Inter-house cricket competition 2004. Thanks to ORCA 11<sup>th</sup> batch for sponsoring the event for consecutive 5<sup>th</sup> time. The program was a fabulous one. As per the tradition, the defending champion of the prior year was directly playing the final. Tariq house and Khalid house played against each other for the other place in the final. The match was very exciting and Tariq house beating Khalid house. The excitement continued until the last moment of the match. After lunch it was the final match between TH and QH. QH was very much eager to continue their championship for

consecutive 3<sup>rd</sup> year. However, TH batting first put a competitive total on the board resulting and asking run rate of over 8 before QH. This match too was exciting. QH had to bat until the last over to score the winning run. All in all a program to cherish

## ORCA LADIES CLUB .....

This is a matter of enormous pride that ORCA has formed a ladies club to enhance the fellowship among the bhabies and to associate them with ORCA activities.

This is for the first time that an ex-cadets association has formed such a club. Formally, the first meeting of ORCA ladies club was held on 19<sup>th</sup> September 2003. Since then ORCA ladies club has organized a number of successful get together. On the cricket competition day they arranged a mini stall and food corner. They

contributed the income to ORCA humanitarian activities. They also arranged a good amount of Zakat on Iftar day. However the most gorgeous event that they are going to arrange a musical evening which is going to be held on 19<sup>th</sup> March, 2004 at Shaheed Zia Auditorium, National Museum, Shahbag, Dhaka. Please come forward with your suggestions and efforts.

## ❧ NATIONAL TABLE TENNIS LEAGUE .....❧

Like the other years, ORCA participated in the national table tennis league for the year 2003. The ORCA team consisted of Enam Khan Bablu (7/349), Momen (25/), Monsur (28/1501), Atiq (28/1508) and Arafat (30/1626). After three successful year, the year 2003 was not very promising one for ORCA. This year ORCA failed to reach the super league despite a lion-hearted effort of The veteran ORCA champion Bablu bhai. We expect a much more professional effort from the player and officials so that we may grow with the other successful ventures of ORCA.

## ❧ WINTER CLOTHS DISTRIBUTION .....❧
